

### Useful Websites and Resources

Please find below a list of some of the websites which may be useful in supporting the children's learning at home.

<https://www.phonicsplay.co.uk/> - Phonics games and resources, many require a subscription but this will be offered free due to current circumstances.

<https://www.teachyourmonstertoread.com/blog/teach-monster-learn-to-read-app-free-coronavirus>

A great website/app to consolidate phonics skills through simple games.

<https://www.topmarks.co.uk/> - huge treasure trove of activities that cover a whole range of subjects. Also holds links to games etc that are hosted by other sites.

<https://www.bbc.co.uk/bitesize> - huge range of different resources and information broken down into Key Stages and year groups.

<https://www.tts-group.co.uk/home+learning+activities.html> – free online home workbooks.

<https://spellingframe.co.uk/> - spelling activities with specialist resources for each year group.

<https://www.literacysshed.com/home.html> - a large range of free videos and short films that are then supported by questions and tasks underneath.

<https://www.gonoodle.com/> - lots of online videos that help keep children active inside. Class One particularly love 'I'm still standing', 'Believer', 'Banana, banana, meatball' and 'Skip counting'

<https://www.activelearnprimary.co.uk/> - online games and books allocated by the teacher.

I hope these websites are useful in supporting your child's learning at home. This is by no means an exhaustive list but will hopefully provide a starting point, in addition to the websites suggested on my maths log menu.

If you have any more recommendations please let me know and I will update the list as appropriate with your suggestions as well as my own.

Kind regards,

Mrs White
