

Home Learning Tasks for EYFS – Autumn 3

This home learning letter provides your child with learning activities from various areas of the Early Years Foundation Stage to complete at home. Each area of learning will have a link which you can use to access the work. Please ensure the Maths and Communication and Language/Literacy tasks are completed in the morning and Understanding the World or Expressive Arts and Design in the afternoon, as it would be in school. One maths, communication and language/literacy and phonics lesson should be completed every day. Additionally, please ensure you read with your child every day and practise their sight words or letter sounds.

To access **Discovery Espresso**, **Active Learn** or **Teach Your Monster to Read**, please use the details previously supplied.

Communication and Language/Literacy (20-30 minutes each day)

<https://teachers.thenational.academy/units/goldilocks-and-the-three-bears-1138>

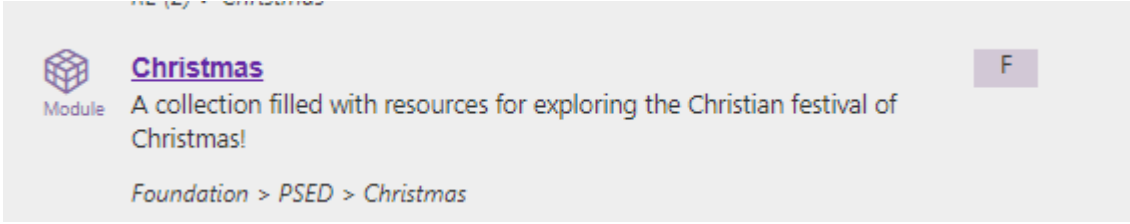

Please use the above link to Oak Academy for the daily activity. This is a narrative unit using Goldilocks and the Three Bears. Each daily lesson provides a learning video to follow with an activity to complete. Start at lesson 1 and continue to work your way through the lessons each day.

Phonics (15 minutes each day)

Login to your Espresso account and select Foundation - Literacy – from here you can select the Phonics section – click on this and select one of Scrap or Polly's videos to watch. Then click on one of the activities from phase 2/3 to play.

You may want to play a game on Teach Your Monsters to Read too.

<p>Maths (20-30 minutes each day)</p>	<ol style="list-style-type: none"> 1. Sorting 2d Shapes – https://classroom.thenational.academy/lessons/sorting-2d-shapes-cdh3et 2. Take it in turns to play guess the shape with a member of your family. Describe the shape, for example, I have three straight sides. Can they guess the shape? 3. Patterns - https://classroom.thenational.academy/lessons/creating-patterns-with-shapes-ctj3gc 4. Create your own patterns at home using toys or other things that you can find. Take a photograph of your patterns and upload it to Tapestry. 5. Play the pattern games on Discovery Espresso. Create a pattern out of Duplo, Lego or toys. Ask a member of your family to continue the pattern. Check the pattern to see if they are correct. 6. Ask an adult to cut a piece of string or wool. If you haven't got any string or wool, cut a strip of paper. Can you find 2 objects in your house that are shorter, longer and the same as your string/paper. 7. Using the objects from the previous session, put them in order from shortest to longest. Take a photograph and upload it to Tapestry. 8. Measuring length - https://classroom.thenational.academy/lessons/measuring-objects-using-non-standard-units-and-using-accurate-language-part-1-64r64c 9. Measuring length part 2 - https://classroom.thenational.academy/lessons/measuring-objects-using-non-standard-units-and-using-accurate-language-part-2-65jkje 10. Draw around your foot and cut it out. Measure different objects in your home using the cut out foot. Ask an adult to help you record your work. You may want to make a table with two columns – one for the object and the other to record the length of the object. <p>Some of the above sessions are from the Oak Academy and you can access the lesson via the link.</p> <p>You may also want to play a game on Active Learn.</p>
<p>Understanding the world (20 minutes twice a week)</p>	<p>Follow these lessons from Oak Academy.</p> <ol style="list-style-type: none"> 1. https://classroom.thenational.academy/lessons/to-explain-what-a-doctor-does-6wu3ed?from_query=doctor Share what you have found out with an adult. 2. https://classroom.thenational.academy/lessons/to-identify-where-doctors-and-nurses-work-70upad?from_query=doctor Share what you have found out with an adult. You may want to draw a picture of a doctor or some of the things that a doctor might use and label it. <p>3 and 4 Set up a doctors surgery or hospital for your toys.</p> <p>You may also want to access clips on Discovery Espresso too.</p>

Reading For Pleasure (20minutes each day)	Read a book of your choice with an adult. ,
Physical Exercise (30 minutes each day)	Use this link for suggested physical activities to complete at home. Also, you might want to listen to a piece of music and think about how you could create a dance to it. https://www.cambslearntogether.co.uk/home-learning/pe
Expressive Arts and Design (30 minutes twice per week)	Make some decorations that you might see in homes or shops at Christmas time. You might want to paint a picture of Father Christmas, make some snowflakes or a winter wreath from leaves in your garden.
RE/ Understanding the World (x 30 minutes once per week)	<p>Watch the following clip on Discovery Espresso. Type Christmas into the search bar and then select the following option</p> <div data-bbox="398 767 1525 991">  </div> <div data-bbox="1749 791 1973 983">  </div> <p>click on video</p> <ol style="list-style-type: none"> 1. Share what you have found out with an adult. 2. Draw a picture and write a label of two things that Christians do to celebrate Christmas.
Independent play	Get your toys out and play for at least an hour a day!
