

Home Learning Tasks for Y6

This home learning letter provides your child with learning activities from various areas of the curriculum to complete at home. Each area of learning will have a link which you can use to access the work. Please ensure the maths and English tasks are completed in the morning and the foundation activities (science, topic, R.E. and PSHE) in the afternoon, as it would be in school.

One maths and English task should be completed every day. At least one foundation activity must be completed each day, your child can choose between science, PSHE, topic and R.E. Please ensure your child completes a minimum of 2-3 SPaG tasks a week and reads their book for at least 20 minutes every day.
