

## Thursday 21<sup>st</sup> May

Thanks for the 'super' plans that you've been sending me so far. I'm very impressed with all of the ideas that I have seen.

### Today's home learning task:

Today I would like you to either write your story or act it out (you might prefer to use small toys as your characters rather than doing all the acting yourself). Your characters are fantastic and you have brilliant plans so I am confident that your stories are going to be excellent too.

**Please send me your story. If you're able to type it out on Word (or similar) and email it to me that would be great. If you are acting it out yourself or with toys then please email me a video clip of your story.**

I'm really looking forward to the stories, well done for continuing to work so hard. You're all amazing!

Have a good day,

Mrs White
