

# Class One Home Learning

Wednesday 15<sup>th</sup> July

# English

Today I would like you try and learn this spider poem. Use lots of expression when you read the poem out loud and think about the audience that you are performing to.

## Little Spider

I'm a little spider,  
watch me spin.  
If you'll be my dinner,  
I'll let you come in.

Then I'll spin a web to  
hold you tight,  
and gobble you up in  
one **big** bite!

# English - Handwriting

Please write these words out several times in your home learning book (lines would help). Think carefully about the size and formation of your letters.
