

Tuesday 30th June 2020

Hello everyone!

I hope you are all keeping well – I'm looking forward to seeing you at our Zoom meeting tomorrow. I will send out the joining details later on today.

Remember to keep reading and practising your sight words.

Have a great day,

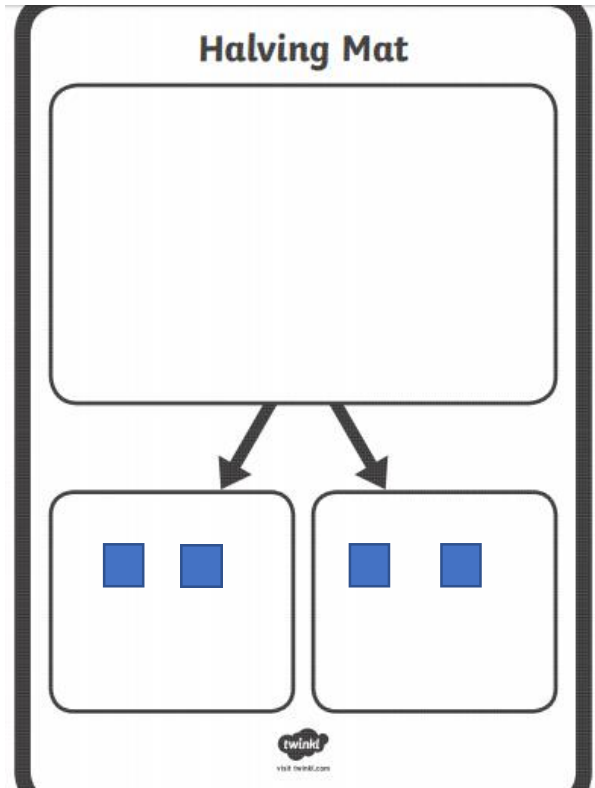

Mrs Davies

Maths Activity

Print from our webpage or draw a halving mat.

Using coins, counters or other small objects, find half of the numbers shown below. For example, put 4 counters in the top box and then share them out equally between the two smaller boxes.

Half of 4	
Half of 2	
Half of 6	
Half of 10	
Half of 8	
Half of 12	
Half of 14	

Literacy Activity

We have been finding out so much about sea creatures. I want you to pretend to be a deep sea diver. Watch this clip on Discovery Espresso – Warm Seas

https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item1053725/grade5/module1045246/index.html

Then write a list of what you would pack if you were going on a deep sea diving adventure. What special equipment might you need? You might want to draw some pictures too.

Phonics Activities

Join in with my phonics clip and have a go at reading this week's phonics words.

Play Buried Treasure or Dragon's Den on Phonics Play. Select Phase 3 +ee
