

Class One Home Learning

Friday 17th July

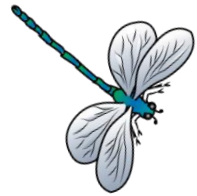

English

Amazing you.....

Today I would like you to draw a picture of yourself or take a photo. Around the picture write all the things that are amazing about you. You will probably need quite a big piece of paper 😊

Maths – True or False?

Today I have chosen: Ordering numbers

True or False?

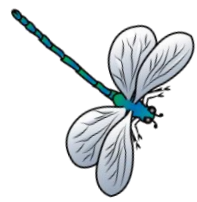

Ordering numbers

45 76 67

smallest \longrightarrow largest

The numbers have been ordered
from smallest to largest.

White
Rose
Maths

Maths – True or False?

True or False?

Ordering numbers

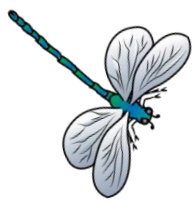

False

76 is more than 67

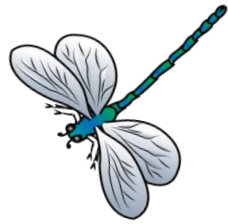

The correct order is

45 67 76

smallest \longrightarrow largest

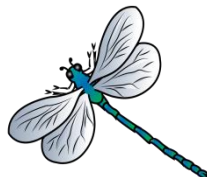

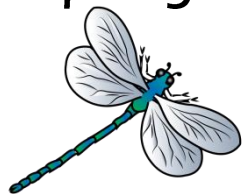

Maths

When I was a little girl we always had a treat at school on the last day of term. We were allowed to bring in a game from home to play. I loved it because somebody always brought Mouse Trap or Twister, I didn't have those games at home and I loved playing them so it was real treat!

You've all worked so hard in Year One. I am very proud of you all. Ask your family if you have a little treat today, maybe a board games day? It's a great way to practise your maths skills! I've uploaded a couple of games in case you don't have any at home or you fancy playing something new.

Virtual Sports Day

Please try to join in with the Rainbow Games, our virtual sports day, next week.

Resources are on Sports and USSP area of the school website.

Thank you for all your hard work 
this year. You've all been amazing,
Mrs Lincoln and Ms Benson are
very lucky to be teaching you next
year. I know you are all going to
have a super time in Year Two.

Have a fantastic summer
dragonflies!
