

Sustrans Big Pedal at Great Chesterford Primary Academy

Sustrans is the charity making it easier for people to walk and cycle.

Sustrans is a registered charity in England and Wales (number 326550) and Scotland (SC039263). © Sustrans 2021

What is it?

Sustrans Big Pedal is the UK's largest inter-school cycling, walking, wheeling and scooting challenge.

© 2017, Jonathan Bewley

Schools compete to see who can record the greatest number of active journeys over two weeks.

When is it?

The challenge
runs from

**Monday 19 April-
Friday 30 April
2021.**

When is it?

At GCPA, we would like children to log their active journeys to school for five days starting on **Thursday 22nd April.**

How long is it?

Five Days

We will be logging active journeys for:

22.4, 23.4, 26.4, 27.4, 28.4

“With over 2,000 journeys to school during the Big Pedal we visibly reduced the traffic congestion around the school gate and for the first time the parent car park had spaces.”

- Teacher, Claytons Primary School

Let's see what the impact is for our school and local community!

Who can take part?

Teachers, parents and pupils are all invited to take part in the challenge.

What do we do? Five day challenge

Cycle, walk, wheel or scoot to school every day and encourage your friends, school staff and parents to do the same.

Record your journeys on the Sustrans Big Pedal website and try to increase your score each day.

Reasons to take part

**Reducing
traffic around
the school.**

**Log journeys
every day to
be entered into
the daily prize
draw**

**Help keep
children active
and enjoying
benefits of
active travel.**

Prizes

There will be fantastic prizes up for grabs on every day of the challenge. Schools that get over 15% of their pupils taking part on each day will be entered into the daily prize draw.

Prizes include accessories and equipment to help your school travel actively.

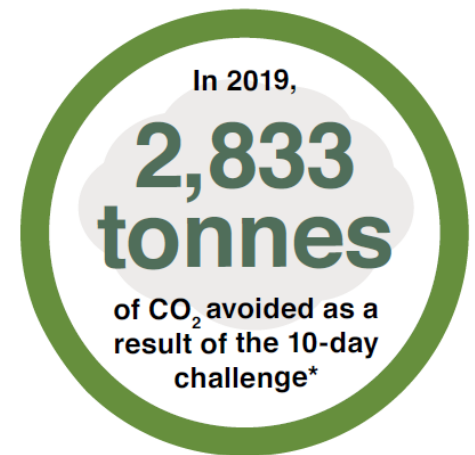

Be part of something BIG

Our vision is a society where the way we travel creates healthier places and happier lives for everyone.

Celebrate the 50th anniversary of world Earth Day on the 22nd April by promoting greener, cleaner ways of travelling.

*Based on the assumption the journeys logged in the challenge would otherwise have been made by car.
