

Monday 18th May

Today's home learning task:

Today I would like to listen to
'Superworm' by Julia Donaldson.
Here is a link to the story being
read aloud on YouTube.

<https://www.youtube.com/watch?v=7Jnk3XApKBg>

If you have a copy of the story you
can read your book instead.

When you have listened to the story please respond to these questions. You
could write down your answers or talk about your ideas.

1. Who is the main character of the story?
2. Who is baddie/villain?
3. What goes wrong in the story?
4. How is the problem solved?

Extension: You could write a book review of the story. I
will attach a template that you could use if you wish.
