Monday 30th March

Good Morning Class Three.

We hope you have all had good weekend and enjoyed the sunshine!

Maths

- Please spend 15 minutes on TTRS practising your times tables.

- Today, we will be practising reading and writing analogue and digital times. I would like everyone to have a go at questions 1-3 and, if you are feeling up to the challenge, answer some or all of questions 4-8.

- If you have time, log into Activelearn and play the game 'Marching Madness'.

English – 'The Magnificent Bull'

Please click on the following link to listen to a traditional African poem from the Dinka Tribe: https://www.bbc.co.uk/programmes/p011mvjh
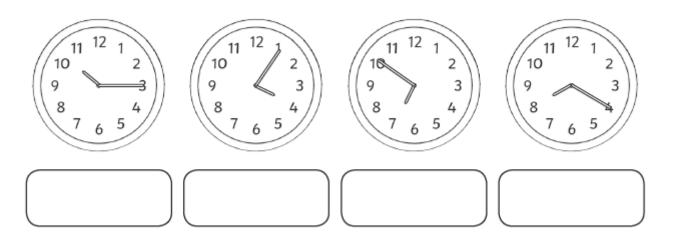

Scroll down to answer the questions about the poem in your books.

All answers will be posted on the class page tomorrow so you can mark your work – no need to send photos this time,
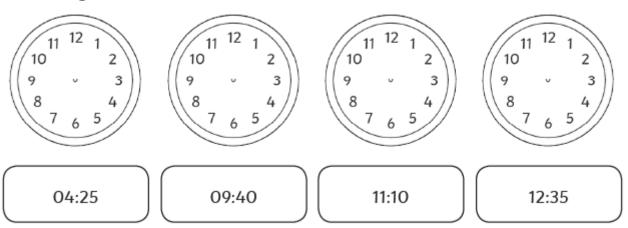

Best wishes

Mrs Raper and Mrs Langton

1. What time is showing on these clock faces?

2. Draw the hands on the clock face to show the times shown on the digital clocks.

04:25	09:40	11:10	12:35

3. Match the analogue clock faces and digital times.

Clock		Digital Time
(clock showing ~4:27)		11:20
(clock showing ~1:10)		5:55
(clock showing ~9:15)		9:15
(clock showing ~1:30)		7:35
(clock showing ~1:17)		7:10
(clock showing ~6:05)		5:25
(clock showing ~12:25)		2:45
(clock showing ~9:15)		11:05

4. Sophie arrives at Brentwood train station and looks at her watch. What time did she arrive at the station?

   _____

5. Her train to London will arrive in 20 minutes. Show what time her train is due to arrive on Sophie's watch.

6. The journey to London lasts 35 minutes. What time will Sophie arrive in London?

   _____

7. Use this information to complete the train timetable.

Brentwood to London	
Depart Brentwood	Arrive London
11:40	
	1:00
1:20	
2:50	
	4:20

8. Each train arrives in London 20 minutes late. Draw the time that each train arrives in London on the clock faces below:
