

Class One Home Learning

Monday 13th July

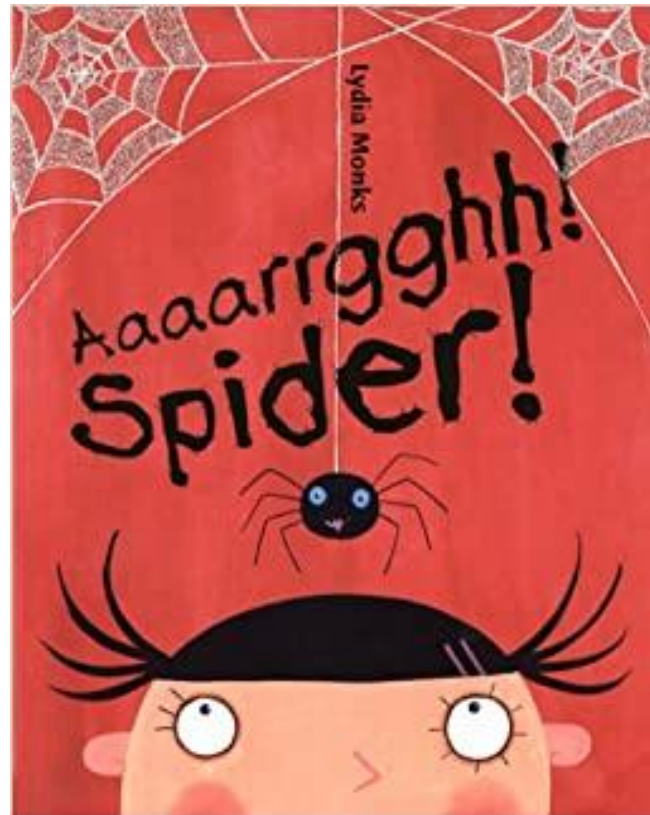

English

Today I would like you to read 'Aaaarrgghh Spider' by Lydia Monks. I have allocated the text to you on Active Learn.

After you have read and talked about the story please fill in the sheet on the class page or write your book review.

English - SPAG

Choose some of these sentences to copy out neatly in your home learning book. Make sure you use the right type of punctuation at the end.

a) Would you like to go for a walk

☐

b) Sarah went to school

☐

c) Be careful

☐

d) What time does the party start

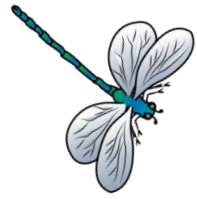

☐

e) I'm so excited

☐

f) The bird was singing in the tree

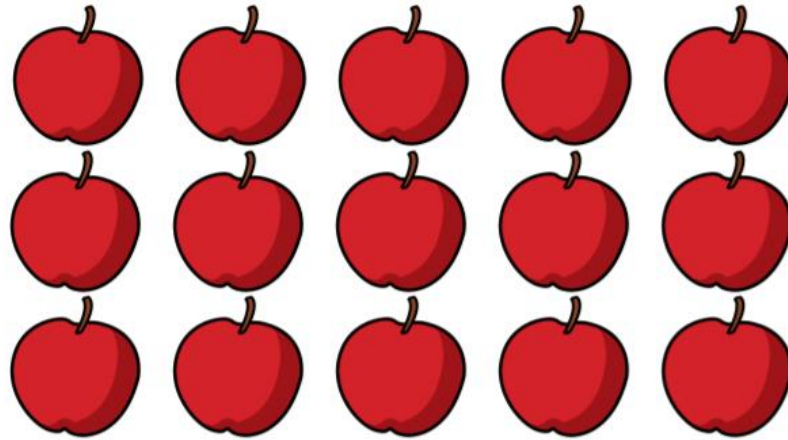

☐

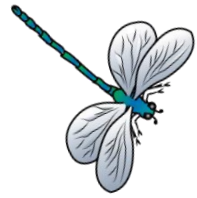

Maths – True or False?

Today I have chosen: arrays

The array shows $5 + 5 + 5$

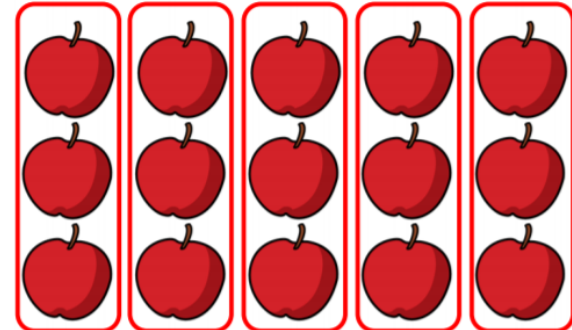

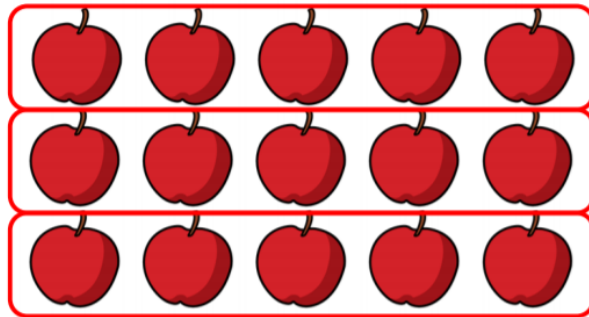

Maths – True or False?

True or False?

Make arrays

True

The array also shows $3 + 3 + 3 + 3 + 3$

Maths

This week you are going to be detectives. You will need to solve a clue each day to complete the challenge. Each clue you solve will help you to cross someone off the list on the next slide.

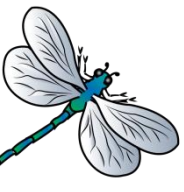

The Mystery of Peter Rabbit and the Beetroot Burglar

Peter Rabbit has been hard at work collecting vegetables from Mr McGregor's garden for the rest of his family.

He has been collecting piles of different vegetables next to the garden wall, ready to move back to the burrow later. He has collected lettuces, green beans, carrots, beetroot, cabbages and tomatoes.

As Peter hops back towards his vegetable pile, with a couple of cabbages, he notices that the pile is not as big as it was. Someone has stolen the beautiful beetroots!

Can you help Peter to find the missing vegetables and catch the beetroot burglar red-handed?

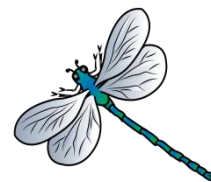

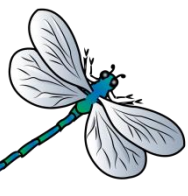

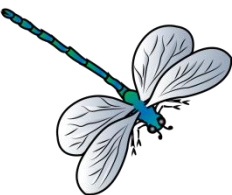

Maths

Here is a list of characters that might be the beetroot burglar... you will need to keep this list safe all week.

Character	Has fur	Boy or Girl	Tail length	Colour
Benjamin	yes	boy	short	brown
Flopsy	yes	girl	short	brown
Mopsy	yes	girl	short	brown
Cottontail	yes	girl	short	brown
Jemima Puddle-Duck	no	girl	no tail	white
Mrs Tiggywinkle	no	girl	short	brown
Jeremy Fisher	no	boy	no tail	green
Squirrel Nutkin	yes	boy	short	ginger
Tom Kitten	yes	boy	long	brown
Tailor of Gloucester	yes	boy	long	brown
Tom Thumb	yes	boy	long	brown
Hunca Munca	yes	girl	long	brown
Ribby (cat)	yes	girl	long	grey
Duchess (dog)	yes	girl	long	black
Samuel Whiskers (mouse)	yes	boy	long	brown
Miss Moppet (kitten)	yes	girl	long	grey
Mr Tod (fox)	yes	boy	long	ginger

Pigling Bland	no	boy	long	pink

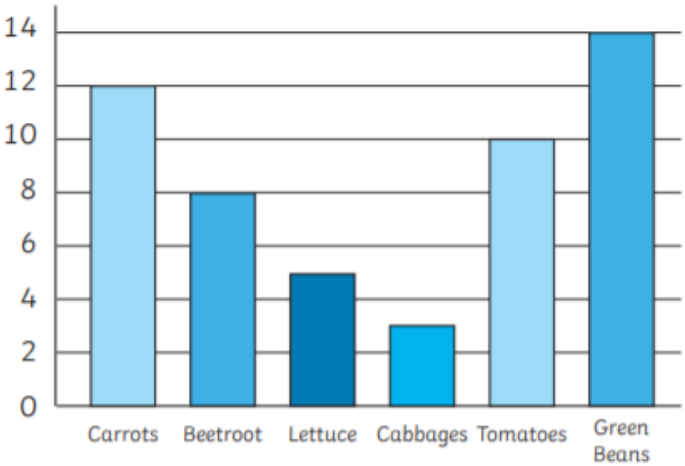

Maths

Today's clue:

Clue 1

Here is a bar chart showing how many different vegetables Peter Rabbit has collected. Answer the questions and colour in the box, using the matching answers.

Use the words to make a sentence to find the first clue.

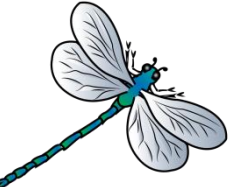

10 the	22 brown	lettuce beetroot	1 tail
8 has	carrots burglar	3 grey	4 fur

1. How many tomatoes did Peter collect?
2. Peter collected 5 of which kind of vegetable?
3. Did Peter collect more carrots or more tomatoes?
4. How many lettuces and cabbages did Peter collect?
5. How many more carrots than beetroot did Peter collect?

Answer to clue 1:

Also this week.....

Don't forget about the activities
on the topic grid.
